**Subject:** new walkway at Wikiup Dr

Dear Karen and MAC members, we citizens of Wikiup have a new paved walkway along Wikiup Dr between Carriage Ln and Pheasant Ln thanks to the efforts of Mike and Jodeena Landon, Jen Mendoza, and Johannes Hovertsz. Mike and Jodeena counted cars and pedestrians that use the route. Jen coordinated a meeting with Johannes of Sonoma County Transportation and Public Works who came on site to view the problem and took the Landon's spread sheet into consideration and got the work done! Kudos to these folks! There is one less item on our list of unmet needs. Regards, Willie Lsamberson
