Dear Lynda,

I have recently heard that there is some serious movement toward a notion that redistricting District 5 would somehow benefit the public? I urge you to not redistrict District 5, not to in any way add parts or the whole (god forbid) of Rohnert Park to District 5.

This smacks of politicians, businesses, tribes or all the above, to further compromise coastal and west county values by gaining further access for their own.

The good Citizens of west County's District 5 want nothing to do with what has occurred and continues to occur in Rohnert Park. This is a very poor concept and should be treated as such.

Please help to put an end to this absurd gerrymandering for the purposes of a few.

Thank you, Lynda.

Sincerely,

Douglas Emery
