DATE: May 30, 2025

TO: Members of the Board of Supervisors and Board of Directors

FROM: M. Christina Rivera, County Executive

SUBJECT: FY 2025-26 Appropriations Limit

This memo details the calculations for the FY 2025-26 appropriations limits for the County and for various special districts and agencies governed by the Board of Supervisors. Each year the County Board must approve an appropriations limit for the year, which dictates the total amount of tax revenue and certain related revenue streams that can be appropriated during a fiscal year.

### Background

On November 6, 1979, voters approved the Gann Spending Limitation (Proposition 4), which established Article XIII-B of the State Constitution. Article XIII-B sets limits on the amount of tax revenues the State and most local governments can appropriate within a given fiscal year. The Gann Limit does not apply to the entire County budget. The limit only applies to appropriations from proceeds of taxes from both the general fund and special funds of government entities, which includes: (1) property, sales, transient occupancy, and other tax revenues; (2) interest earnings on invested tax revenues; and (3) any revenues collected by a regulatory license fee or user charge *in excess* of the amount needed to cover the cost of providing that regulation, product, or service. Further refined by Propositions 98 and 99 in 1988, and Proposition 111 in 1990, Article XIII-B provides that appropriation limits are to be established annually by each governmental entity in accordance with the constitutional amendments and enabling state legislation. Current appropriation limits are generally based upon actual revenue appropriations during the initial base year of FY 1986-87 (per Prop 111) and adjusted annually thereafter to account for California per capita cost of living increases, and year-over-year population growth as published by the California State Department of Finance.

The annual limits must be adopted for the County government and those Board of Supervisors-governed special districts and County service areas that had a property tax rate of 12.5 cents or more per \$100 of assessed valuation in 1977-78. Appropriations from non-tax revenues and proceeds are excluded from the limit, such as: Federal funds, charges for services, regulatory fees, grants, loans, and donations. Exemptions are also made for voter-approved debt, debt

that existed as of January 1, 1979, and the cost of compliance with court or Federal government mandates.

Of particular note, Proposition 111 (The Traffic Congestion Relief and Spending Limitation Act of 1990) amended Article XIII-B to allow for funding congestion relief, mass transit, health care, services for the elderly, and other priority programs, while still providing an overall limit on state and local spending. Proposition 111 changed the previous Constitutional cost-of-living and population factors for both the state and local appropriations limits, and added new exclusions from the appropriations limit. However, none of the exclusions allowed by Proposition 111 were employed in the County's calculation for FY 2025-26 as total revenues appropriations are far below the new limit.

In general, the County may not exceed the appropriation limit adopted today. However, in the event of a declared emergency, the appropriation limit may be increased. Voters of a jurisdiction may also authorize a temporary increase in the Appropriations Limit, not to exceed a period of four years, at which point the limit would revert to what it would otherwise have been. If revenues exceed the adopted appropriation limit for two consecutive fiscal years, the County would return the excess through a revision of the tax rates in the two subsequent fiscal years.

The FY 2025-26 appropriation limit exceeds projected applicable revenues by \$132.0 million. Revenues have moved closer to the cap over the last few years primarily because of an increase in state subventions which began during the FY 2021-22 fiscal year. Proposition 4 applies an appropriations limit to the state as well as to local governments. Tax revenue collected by the state but passed through to counties may be counted against either limit (but it must be counted against one of the limits). A subvention refers to state tax revenue that is counted against a local government cap, because the funding is passed through to that local government. Under Government Code section 7903, certain identified state funds are required to be counted within each county's limit. However, the code also allows that, should these subventions put a county over its appropriations limit, then any amount over that limit would return and be counted against the state's cap. Sonoma County's eligible revenues include \$102.5 million in state subventions identified under Government Code section 7903 in FY 2025-26. Because these would return to the state's limit if needed, the County is effectively \$237.5 million below its cap. The Department of Finance letter identifying the subventions is included as Attachment 1.

During 2024, Sonoma County voters passed two new special sales taxes, Measure H (to support fire services) and Measure I (to support early childhood care) (collectively, Measures). As specified by the respective Measures, while the tax revenue collected largely passes through the County to enumerated fire agencies and to First 5 Sonoma County, the County receives and administers the tax revenue collected by the state and therefore the tax revenues count against the County's appropriations limit. The Measures each included a provision to increase the County's appropriations limit for four years, which is the maximum amount allowed by law. As such, both total appropriations subject to the limit and the County's limit are increasing by

\$98.7 million. This does not impact how far the County is above or below its limit. However, after FY 2027-28, and every four years thereafter, the County will need voter approval to request an additional 4-year increase to its appropriations limit. Based on where the County is in comparison to its limits at that time, it will need to be determined if the costs associated with putting a measure on the ballot are necessary and educating voters to support the increases, which will require a majority vote to pass.

### County Appropriations Limit Calculations

Pursuant to Article XIII-B and Government Code section §7900, et seq., each fiscal year the Appropriations Limit is established by adjusting the prior year's Appropriations Limit for (a) population growth, (b) per capita income change, and (c) the transfers of financial responsibility described below.

The California State Department of Finance sends to local governments an annual letter providing an estimate of the percent change in population and change in the per capita personal income, which are both used to calculate each local government's appropriation limit. The Department's letter (Exhibit A to the Resolution) dated May 2025 provides key factors to adjust the FY 2025-26 spending limit.

Per Government Code §7901, a county may choose to use the change in population from any one of the following: (1) the change in population within its jurisdiction; (2) the change in population within its jurisdiction, combined with the change in population within all counties having borders that are contiguous to that county; or (3) the change in population within the incorporated portion of the county. Sonoma County typically uses the highest of the three factors in order to provide maximum appropriation flexibility. In addition, the limit is modified by per capita income change. Table 1 includes the three population factors for FY2025-26, as well as the per capita personal income factor.

**Table 1: Appropriations Limit Change Factors**

Year	Total County Population Change Factor	Sonoma County Plus Contiguous County Population Change Factor	County Incorporated Population Change Factor	California Per Capita Personal Income Factor
January 1 2024 to January 1, 2025	0.15%	0.11%	0.38%	6.44%

For FY 2025-26 the highest of the population factors is the Per Capita Income plus Sonoma County Incorporated Population change factor. The calculation for FY 2025-26 is:

1.0038 (Population Factor) x 1.0644 (Income Factor) = 1.0684 (Appropriations Limit Adjustment Factor)

In addition to applying the factors as listed above, there are two adjustments made to the County's limit annually. The first adjustment is due to the reduction of tax support for refuse disposal operations. The Constitution and enabling state legislation requires that if tax support of a service is reduced, and fees are increased to offset the reduction of tax support, the limit must be decreased by an equivalent amount. Historically, the County provided \$647,046 of tax support for refuse disposal, until FY 1987-88, when tax support for refuse disposal was terminated. Because refuse disposal operations are now funded by fees and not tax proceeds, the appropriations limit must be manually adjusted each year to remove the fixed \$647,046 amount.

The second adjustment increases the appropriation limit pursuant to the FY 2024-25 agreement for transit services between the County and cities in Sonoma County, based on the summary of the coordinated claim approved by the Board of Supervisors on May 13, 2025, Item #16, which is available [here](#). The Adjustment for FY 2025-26 is \$6,170,237.

Taken all together the calculations for FY2025-26 are laid out in Table 2.

**Table 2: Appropriations Limits Calculations**

<u>Description</u>	<u>Amount</u>
<b>FY 2024-25</b> Appropriations Limit (exclusive of Refuse Disposal and Transit Adjustments)	837,511,807
Multiplied by the Adjustment Factor below	1.0684
<b>FY 2025-26</b> Base Limit (Prior to Adjustments)	894,797,615
<b>Less:</b> Reduction of Tax Support for Refuse Disposal	(647,046)
Plus: Limit increase per Measure H and I	98,725,317
<b>Plus:</b> Limit increase per the Agreement for Transit Services between County and Sonoma County Cities for FY (Board Action 5// item #12). See Resolution "Exhibit A" for approved TDA/STA Coordinated Claim.	6,011,485
<b>FY 2024-25 Appropriations Limit</b>	<b>998,887,371</b>

As a point of comparison, the total revenues subject to the Proposition 4 Limit for the County in the FY 2025-26 Recommended Budget are \$866.9 million, \$132.0 million under its limit. This is a \$119.4 million increase over the FY2023-24 revenues subject to the limit. This is due primarily to a \$98.7 million increase in tax revenue which is passed through the county due to the inclusion of Measures H and I; aside from this County taxes, state realignment funding and other subventions, and other applicable sources are increasing by \$20.6 million, or 2.8%.

#### **District Appropriations Limit Calculations**

The appropriations limit calculation for special districts and other governmental entities under the control of the Board of Supervisors uses the total county population factor and the California per capita income factor. The calculation is:

$1.0015 \text{ (Population Factor)} \times 1.0644 \text{ (Income Factor)} = 1.0660 \text{ (Appropriations Limit Adjustment Factor)}$

This limit is multiplied by the FY 2024-25 limit for each district in order to calculate the limit for FY 2025-26. The total combined Proposition 4 appropriations limit capacity for all Board Special Districts for FY 2025-26 is \$115.7 million, which is \$47.1 million above the total revenues subject to Proposition 4. Limits for individual districts are found in the attached Resolution.

January 31, 2025

Graham Knaus, Executive Director  
California State Association of Counties  
1100 K Street, Suite 101  
Sacramento, CA 95814

Dear Mr. Knaus,

### **State Subventions for Fiscal Year 2025-26**

Pursuant to subdivision (b) of Government Code section 7903, commencing with the 2021-22 fiscal year, county governments are required to include specified state subventions within their appropriations limits. Specifically, the attached spreadsheet identifies both the total dollar value of all these subventions (the "County Totals" tab) to be included within a county's appropriations limit for the 2025-26 fiscal year, as well as additional details regarding the dollar value attributable to each individual subvention (the "County Programs" tab). Column B of the "County Programs" tab provides specific statutory references to each subvention contained in subdivision (b) of Government Code section 7903.

The language contained in subdivision (b) of Government Code section 7903 requires each county to include the full value of these subventions within the county's appropriations limit for the 2021-22 fiscal year and each subsequent fiscal year. To the extent that any portion of the values identified for each county in the "County Totals" tab of the attached spreadsheet would cause a county to exceed its appropriations limit, subdivision (d) of Government Code section 7903 requires the county to identify the specific amount attributable to these subventions in excess of their limit and report that information to the Department of Finance. The excess amounts that cannot be included in the county's appropriations limit will instead be included within the state's appropriations limit pursuant to that subdivision.

To the extent the subvention amounts cause a county to exceed their limit in the 2025-26 fiscal year, the Department of Finance directs counties to report any amounts pursuant to subdivision (d) of Government Code section 7903 for the 2025-26 fiscal year to the department by November 1, 2026. Counties should report this information via email to the following staff: [Susan.Wekanda@dof.ca.gov](mailto:Susan.Wekanda@dof.ca.gov) and [Matthew.Westbrook@dof.ca.gov](mailto:Matthew.Westbrook@dof.ca.gov).

Finance respectfully request that you share this information with counties identified in the attachment to facilitate their compliance with the provisions of Government Code section 7903.

If you have any questions or need additional information regarding this matter, please contact Susan Wekanda, Principal Program Budget Analyst, at (916) 445-5332.

# County of Sonoma

## State of California

Date: June 13, 2025

Item Number: \_\_\_\_\_

Resolution Number: \_\_\_\_\_

☐ 4/5 Vote Required

**Concurrent Resolution Of The Board Of Supervisors Of Sonoma County, Agricultural Preservation And Open Space District, And Sonoma County Water Agency Establishing Appropriations Limits For County Government And Board Of Supervisors Governed Special Districts And County Service Areas For FY 2024-25 As Required By Article XIII B Of The California Constitution, Giving Instruction To The County Administrator And County Counsel, And Giving Notice Of Appropriate Period Of Limitation For Judicial Review.**

**Whereas**, Article XIII B of the California Constitution, added by Proposition 4 (November, 1979) and subsequently amended by Proposition 98 (November 1988) and Proposition 111 (June 1990), requires that appropriation limits be established for each entity of government having a secured property tax rate of 12.5 cents or more per \$100 of assessed valuation in 1977-78; and

**Whereas**, staff from the offices of the County Administrator and Auditor-Controller have prepared documentation necessary to establish the appropriations limits for the FY 2024-25 for county government and Board of Supervisors governed special districts and county service areas; and

**Whereas**, on May 31, 2024, documentation used in the determination of the appropriation limits and other necessary determinations was made available to the public, and due notice was given of this Board's intent to establish appropriation limits at its annual Budget Hearings, which commence on June 11, 2024 and where adoption of Appropriation limits are scheduled to occur on June 14, 2024; and

**Whereas**, among the documentation made available to the public, the County Administrator has made available a copy of this resolution including the following documentation:

1. Letter from the Department of Finance, dated May 2024 marked Exhibit 'A' and attached hereto;
2. Notice of Revenue and Appropriation Limit Adoption, marked Exhibit 'B' and attached hereto;

**Whereas**, in accordance with State law, this Board considered the establishment of the appropriation limits at its annual Budget Hearings, which commence on June 11, 2024 and where adoption of Appropriation limits are scheduled to occur on June 14, 2024.

**Now, Therefore, Be It Resolved** by the Board of Supervisors that the following appropriations limits are hereby adopted for Sonoma County and special districts and county service areas governed by the Board of Supervisors:

**FY 2024-25 Appropriations Limits**

Sonoma County - See Notes (A) and (B) below	\$845,696,998
Sonoma County Water Agency – Zone 2A	\$15,689,649
County Service Area #41 (Sonoma Valley)	\$775,032
County Service Area #40 (Fire Services)	\$3,782,155
County Service Area #41 (Lighting District)	\$2,464,974
CFD #4 Wilmar	\$623,024
Bittner Lane Permanent Road District	\$14,304
Monte Rosa Div. #1 Permanent Road District	\$12,772
Peaks Pike Permanent Road District	\$14,306
Sonoma County Open Space District	\$85,168,294

(A) Sonoma County's limit was decreased by (\$647,046) due to the reduction of tax support for refuse disposal operations. The Constitution and enabling state legislation requires that if tax support of a service is reduced, and fees are increased to offset the reduction of tax support, the limit must be decreased by an equivalent amount.

(B) Sonoma County's limit was increased for the city-county agreement for transit services. The appropriations limit increase includes \$6,170,237 for FY 2024-25 to the County from the cities for transportation tax (Transportation Development Act) financed transit services performed by County for cities.

**Be It Further Resolved** that this Board finds that the budget hearings, which commence on June 11, 2024 and where the adoption of the FY2024-25 Appropriations Limits is scheduled for June 14, 2024 was noticed on May 25, 2023 by publication in the Santa Rosa Press Democrat; the documentation and materials supporting necessary determinations to establish the FY 2023-24 Appropriations Limits have been available for public review since May 31, 2024 online at <https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports> and in person at the County Administrator's Office; and that pursuant to the

provisions of Section 7910 of the Government Code, any action or proceeding to review, attack, set aside, void, annul or amend the action taken by the Board of Supervisors, acting as the governing body of the County of Sonoma and the governmental entities described herein, by this Resolution or the appropriations described herein must be commenced within 45 days of the date of adoption of this Resolution; and

**Be It Further Resolved** that this Board anticipates additional clarification of the provisions of Article XIII B of the California Constitution through anticipated opinions of the County Counsel of this County and counsel for other counties and other public agencies, opinions of the Attorney General, case law and additional implementing legislation. Because these clarifications may result in the necessity of reviewing the limit calculations, the County Administrator and the County Counsel are directed to advise this Board, from time-to-time, on changes in the law that may necessitate such limit modifications; and

**Be It Further Resolved** that this Board will authorize via a resolution any additional adjustments to the limit as permitted by Article XIII B for transfers of responsibility for services; and

**Be It Further Resolved** that this Board reserves the authority to make changes to the appropriations limits based on revised Appropriations Limit Procedure Guidelines when issued by the State Controller's County Accounting Standards and Procedures Committee, and when other necessary population and non-residential property value change information becomes available.

May 2025

Dear Fiscal Officer:

**Subject: Price Factor and Population Information**

**Appropriations Limit**

California Revenue and Taxation Code Section 2227 requires the Department of Finance to transmit an estimate of the percentage change in population to local governments. Each local jurisdiction must use their percentage change in population factor for January 1, 2025, in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2025-26. Attachment A provides the change in California's per capita personal income and an example for utilizing the price factor and population percentage change factor to calculate the 2025-26 appropriations limit. Attachment B provides the city and unincorporated county population percentage change along with the population percentage change for counties and their summed incorporated areas. The population percentage change data excludes federal and state institutionalized populations and military populations.

**Population Percent Change for Special Districts**

Some special districts must establish an annual appropriations limit. California Revenue and Taxation Code Section 2228 provides additional information regarding the appropriations limit. Article XIII B, Section 9(C) of the California Constitution exempts certain special districts from the appropriations limit calculation mandate. The code section and the California Constitution can be accessed at the following website: <http://leginfo.ca.gov/faces/codes.xhtml>.

Special districts required by law to calculate their appropriations limit must present the calculation as part of their annual audit. Any questions special districts have on this requirement should be directed to their county, district legal counsel, or the law itself. No state agency reviews the local appropriations limits.

**Population Certification**

The population certification program applies only to cities and counties. California Revenue and Taxation Code Section 11005.6 mandates Finance to automatically certify any population estimate that exceeds the current certified population with the State Controller's Office. **Finance will certify the higher estimate to the State Controller by June 1, 2025.**

**Please Note:** The prior year's city population estimates may be revised. The per capita personal income change is based on historical data.

If you have any questions regarding this data, please contact the Demographic Research Unit at (916) 323-4086.

- A. **Price Factor:** Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2025-26 appropriation limit is:

Per Capita Personal Income	
Fiscal Year (FY)	Percentage change over prior year
2025-26	6.44

- B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2025-26 appropriation limit.

**2025-26:**

Per Capita Cost of Living Change = 6.44 percent  
Population Change = 0.28 percent

Per Capita Cost of Living converted to a ratio:  $\frac{6.44 + 100}{100} = 1.0644$

Population converted to a ratio:  $\frac{0.28 + 100}{100} = 1.0028$

Calculation of factor for FY 2025-26:  $1.0644 \times 1.0028 = 1.0674$

**NOTICE OF BUDGET HEARINGS AND**  
**FISCAL YEARS 2025-26 APPROPRIATION LIMIT ADOPTION**  
**FOR COUNTY GOVERNMENT AND BOARD OF SUPERVISORS GOVERNED**  
**SPECIAL DISTRICTS AND SERVICE AREAS IN COMPLIANCE WITH**  
**ARTICLE XIII B OF THE STATE CONSTITUTION**

NOTICE IS HEREBY GIVEN that the fiscal year beginning July 1, 2025, the **Recommended Budget** for the County of Sonoma, Sonoma County Water Agency (Sonoma Water), Sonoma County Agricultural Preservation and Open Space District, Special Districts, Community Development Commission and Sonoma Valley County Sanitation District is available for public review online by visiting <http://sonomacounty.ca.gov/CAO/Public-Reports/Budget-Reports/>. Hard copies will be available for review on and after May 30, 2025, at the Office of the Sonoma County Administrator, 575 Administration Drive, Suite 104-A, Santa Rosa, California.

NOTICE IS FURTHER GIVEN that the Board of Supervisors of the County of Sonoma, as the governing body of the County and as the Directors and Commissioners of Special Districts, the Water Agency, Agricultural Preservation and Open Space District, Community Development Commission, and Sonoma Valley County Sanitation District, will conduct public hearings on the Recommended Budget beginning on Tuesday, June 10, 2025, at 9:00 a.m. Participation and public comment information below.

NOTICE IS FURTHER GIVEN that members of the public can watch or join the meeting using one of the three following methods:

1. WATCH LIVESTREAM: <https://sonoma-county.legistar.com/Calendar.aspx>. Once the meeting has started, click the "In Progress" hyperlink to begin viewing.
2. LISTEN TO THE MEETING IN ZOOM: Participate by computer, tablet, or smartphone application or by phone call. Please see the published agenda to access the Zoom information.
3. LISTEN AND ATTEND IN PERSON: Members of the public may attend the meeting in person in the Board of Supervisors Chambers located at 575 Administration, Room 100A, Santa Rosa, CA 95403. Members of the public may also listen to the Board meeting in the Administration Building hall or outside the main entrance. Overflow seating will be available in the building hall, if necessary.

PUBLIC COMMENT: Public Comment may be made live, in person, in the Board Chambers. Available time for comments is determined by the Board Chair based on agenda scheduling demands and total number of speakers. In order to guarantee that your comment is received and considered by the County, attend the meeting in person or submit your comment in writing in advance of the meeting to [bos@sonoma-county.org](mailto:bos@sonoma-county.org).

Please see the published agenda for further details on attendance and public comment.

NOTICE IS FURTHER GIVEN that the public hearings will continue from day-to-day not to exceed fourteen (14) calendar days but may be concluded earlier in accordance with law. The hearings schedule will be available by visiting <https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports>.

NOTICE IS FURTHER GIVEN that any member of the public may appear at said hearings and be heard regarding the increase, decrease, or omission of any item in the Recommended Budget or the inclusion of additional items. **All proposals for revisions shall be submitted in writing to the Clerk of the Board before the close of the public hearings.** It is anticipated that at the conclusion of the public hearings, the Board of Supervisors/Directors/Commissioners will approve and adopt the Budget for the 2025-26 fiscal year, reflecting their determination of any changes to be made to the Recommended Budget.

The list of governmental entities to be discussed can be found in the Fiscal Year 2025-26 Recommended Budget document available by visiting <https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports>.

NOTICE IS FURTHER GIVEN that the that the Board of Supervisors of the County of Sonoma, as the governing body of said county and various Special Districts and County Service Areas, will complete the **establishment of appropriations limits** in compliance with Article XIII B of the State Constitution for said county including said Special Districts and County Service Areas, for the 2025-26 fiscal year commencing July 1, 2025, and ending June 30, 2026, and that supporting documentation will be available to residents on May 30, 2025 by visiting <https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports>. The governmental entities having appropriation and revenue limits established may include, but are not limited to, the County of Sonoma; Sonoma County Water Agency (Sonoma Water); County Service Area #40 (Fire Services); County Service Area #41 (Multi-Services); Bittner Lane Permanent Road District; Monte Rosa Division #1 Permanent Road District; Peaks Pike Permanent Road District; and Sonoma County Agricultural Preservation and Open Space District.

NOTICE IS FURTHER GIVEN that appropriation limits will be adopted during the Budget Hearings noticed herein, which commence on June 10, 2025, in the Board of Supervisors Chambers, 575 Administration Drive, Room 102A, Santa Rosa, California. In accordance with law, appropriation limits supporting documentation will be available for review May 30, 2025 by visiting <https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administrators-office/budget-and-operations/budget-reports>, and at the Office of the Sonoma County Administrator, 575 Administration Drive, Suite 104-A, Santa Rosa, California.
