

**SONOMA COUNTY COMMUNITY DEVELOPMENT
COMMISSION**

**Request for Proposals (RFP)
for
PROJECT BASED VOUCHERS**

A. *Introduction*

The Sonoma County Housing Authority (Housing Authority), a division of the Sonoma County Community Development Commission (Commission), operates the Sonoma County “Section 8” Housing Choice Voucher Program, funded by the US Department of Housing and Urban Development. The purpose of the program is to provide rental assistance to very low-income families enabling them to rent decent, safe and affordable housing. The Housing Authority administers the Housing Choice Voucher program for all of Sonoma County, excluding the incorporated city of Santa Rosa. The program receives roughly \$34 million dollars in funding on an annual basis through the US Department of Housing and Urban Development (HUD) and has an allocation of 2,820 Housing Choice Vouchers (HCV).

The shortage of available affordable rental units in the area has resulted in participants of the Housing Choice Voucher program being unable to utilize their voucher. Because of this, the Commission is issuing this Request for Proposals (RFP) seeking proposals from owners and/or developers for Project-Based Vouchers (PBV) available under the Department of Housing and Urban Development Housing Choice Voucher program. Existing units, substantial rehabilitation projects and new construction projects are all eligible for consideration. Up to 100 Project Based Vouchers are available under this RFP. Proposed units must be within the jurisdiction of the Sonoma County Housing Authority. The Commission intends to award Project Based Vouchers to more than one Respondent.

Through this RFP, the Commission will offer an allocation of Project Based Vouchers to be committed for designated rental units. Successful Respondents will be offered a contract with an initial term of up to twenty (20) years and an automatic renewal term of 20 years.

This request for proposals (RFP) is established pursuant to Title 24, Chapter IX, Part 983 of the Code of Federal Regulations Project Based Voucher program Final Rule published in the Federal Register on October 13, 2003, Changes to the Section 8 Project-Based Voucher Programs Final Rule published on June 25, 2014, and the Housing Opportunities Through Modernization Act of 2016.

All proposals submitted in response to this solicitation must conform to all of the required specifications outlined within this document and any designated attachments in its entirety.

Proposals must be received no later than 5:00 p.m. May 13, 2020, in accordance with the submission instructions included within this Request for Proposals.

B. *Project Description*

The U.S. Department of Housing and Urban Development (HUD) allows Housing Authorities to attach up to 20% of its Section 8 Housing Choice Voucher program funding to specific housing units by project-basing vouchers. In contrast to the tenant-based voucher program, a housing subsidy will remain connected to the unit after a tenant moves out of the unit. The owner must agree to rent the unit to eligible tenants for the duration of the Housing Assistance Payments (HAP) contract.

The Commission is making 100 Project-Based Vouchers available to property owners and developers through a competitive process in accordance with the requirements included within this Request for Proposals (RFP). This RFP solicits the participation of owners who request Project Based Voucher assistance for either existing, rehabilitated or newly constructed units. The Commission intends to select multiple projects under this RFP so long as the total number of vouchers committed does not exceed 100.

Extra point consideration will apply to proposals that include Permanent Supportive Housing units for applicants referred by the Sonoma County Coordinated Entry System.

C. *Application Requirements*

The Commission will review all applications for Project Based Vouchers (PBV) submitted by the deadline. Before selecting projects, the Commission will determine that each application is responsive to the selection criteria and procedures included in this RFP and Chapter 21 of the Sonoma County Housing Authority Administrative Plan, and in compliance with HUD program regulations at 24 CFR §983. Applications that do not meet minimum accessibility requirements for units and project areas will not be considered.

In these instances, up to 100% of the units in such projects may be proposed for PBV assistance.
7. Documentation of the poverty rate in which the site/project is located. The Commission will prioritize proposals located in a census tract with a poverty rate of not more than 20%.
