This memo describes the process for choosing elected representatives to the Continuum of Care (CoC) Board at the August 24th, 2022 CoC Board meeting and includes a description of the Sonoma County Continuum of Care, a list of seats up for election, a Nomination Form, and a Statement of Interest form.

This memo describes the Elections process for 2022, please read it carefully.

The Continuum of Care Board is the decision-making body of the Sonoma County Continuum of Care. Its meetings are open to the public and anyone may speak, but the charter governance establishes voting seats. The 17-member Board currently has one seat up for election.

Sonoma County Continuum of Care

Mission

The Sonoma County Continuum of Care addresses the problems of housing and homelessness by having a countywide, community-informed, and person-centered CoC system that is compassionate, inclusive, financially responsible, equitable, coordinated, and outcomes based.

Vision

Our vision for the CoC in Sonoma County is that:

- We have a unified, coordinated, equitable, and integrated system with a clear vision across the community to reduce homelessness.
- The people of our county, via our Continuum of Care, have a system of care in that ensures that all persons experiencing homelessness have a safe, supportive and permanent place to call home.
- The people of our county are collectively building a future in which there are sufficient resources, political leadership, and community involvement to end homelessness as a permanent fixture in our social landscape.
- Our system ensures quick access to permanent housing, stable and increased income for participants, strength-based consumer relationships, effective and financially responsible

services and programing, coordination and collaboration with mainstream partners, policy and resource advocacy, and comprehensive community education.

- Our system provides for programming and services in all regions of Sonoma County.
- Supports policies that address the disparity we have experienced in Sonoma County, between community members' financial resources and housing costs.
- Our commitment to equity and inclusion at the Continuum of Care strives to engage all community members, regardless of background, throughout Sonoma County, especially those whose voices have been traditionally marginalized.

The CoC is committed to upstream investments before problems occur, to reduce overall societal costs, including:

- Diverting those at imminent risk of homelessness from entering shelters;
- Engaging and empowering people who are experiencing homelessness, to reclaim their dignity and to regain housing stability;
- Avoiding high criminal justice and hospital costs, and negative health outcomes, with appropriate housing, income, and access to health services.
- Aligning public and private efforts to address the problems we share.

Nominations

Nominations are hereby invited for one (1) seat to be chosen by CoC Board at the [CoC Board Meeting](#) meeting on **August 24th, 2022, from 1:00pm – 5:00pm**. CoC Board meetings are scheduled monthly (2022 dates are listed on the CoC [Website](#)). With occasional cancellations and special meetings, the time commitment is normally about 12-18 meetings per year and approximately three to five hours at length.
