

## CCP **Tier** System DRAFT update proposal

1. Specifically for realigned offenders
2. Clearly assists with county's criminal justice system overall but may not directly or exclusively impact AB 109 offenders.
3. Provides ancillary benefits to criminal justice in Sonoma County.

In addition to the tiers, the CCP will use the following objectives/priorities to inform decisions.

Programs and Services **that**

- Reduce incarceration
- Promote racial equity
- Show evidence/promise to reduce recidivism
- Increase public safety
- Support Behavioral Health
- Provide needed supports, such as housing, job training, counseling, peer coaching
- Support a Board priority or Strategic Plan pillar
- Meet a need that is not already being met

**Commented [VF1]:** Possibly change title to "CCP Funding Categories" from "CCP Tiers"

**Commented [VF2]:** Some of these overlap with the CCP Plan Objectives, which have remained largely unchanged since the beginning.

### **Sonoma County CCP Public Safety Realignment Implementation Plan Objectives**

1. Reduce recidivism to enhance public safety.

2. Promote evidence-based programming and upstream investments in health, education, and human services to decrease the need for and costs of enforcement, prosecution, and incarceration.

3. Fund programs that align with the tenets of Sonoma County's *Criminal Justice Master Plan*.

4. Minimize use of jail beds through use of detention alternatives in a manner that is consistent with public safety and that maintains the integrity of the criminal justice system.

5. Provide programming for in-custody and out-of-custody individuals in the criminal justice system, and use validated risk assessments to inform programming decisions and ensure continuity.

6. Operate a day reporting center to serve as the central point of evidence-based programming to help individuals in the criminal justice system reintegrate into the community.
