

Grant Funded Programs 2023-2024

Definitions

Prevention – For youth at risk of entering the justice system.

Goal: Identify youth at risk. Provide information and services to help youth and families develop positive skills and connections so youth avoid delinquent behavior and stay out of the justice system.

Intervention – For youth who have entered the justice system.

Goal: Provide services and supervision to help youth and families develop positive skills and connections so youth will be able to successfully exit the justice system.

Suppression – For youth in the act or just before the act of breaking the law.

Goal: Partner with schools and neighborhoods in a community policing approach. Gather and respond to intelligence to keep crime from happening, and catch people who commit crimes.

Incapacitation – For youth who require temporary confinement to assure community safety.

Goal: In a safe and secure environment provide behavior change programming and transition planning with a strong emphasis on reentry, to assure youth do not return to the justice system after release, and assure that the appropriate developmental opportunities are in place during the entire period of confinement.
